Objective

To secure a software engineering internship where I can use my coding skills and learn new technologies.

Education

Bachelor of Science in Computer Science, University of Washington
Graduated: 2025

Skills

- C++
- C
- Python
- Java
- SQL
- HTML
- CSS

Experience

Software Development Intern, TechCorp, Seattle, WA
June 2024 - August 2024

- Built simple web applications using HTML, CSS, and Python.
- Fixed bugs in existing code and tested new features.
- Collaborated with a small team on coding projects.

Projects

Personal Portfolio Website

- Created a responsive website using HTML, CSS, and JavaScript.
- Showcased projects and code samples.

Volunteer Work

Coding Tutor, Local High School

- Taught students the basics of Python programming.

- Helped students debug their code.
